

We give God the glory for enabling to continue our mission despite the pandemic

Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.

Galatians 6:9

We sincerely thank all our donors, partners in ministry for your generous giving, continued support.

CANADIAN BRIDGE OF HOPE- Newsletter, December 2020

Greetings to you from Canadian Bridge of Hope. It is that time of the year as we reflect on the good things God has enabled us to do through CBOH. Though this covid 19 seems to be never ending, activities in Bridge of Hope have resumed partially after a few months of complete lockdown.

As the country of India is battling poverty worse than ever due to covid, CBOH was able to assist 195 + families in several villages with food, hygiene and medical supplies for the months of April, May and September 2020. These are mainly families of children who are in Step up program and also the leprosy colony. This enables them to stay healthy, fight covid physically and to continue to experience God's love for them.

CBOH provided funds to medical outreach camps for 400 + people who cannot afford basic medical care during January to March -2020. Some of these camps were not possible due to covid restrictions during the last six months.
